Re: Approval of Work Plans and Cost Proposals for Task **310DP-3**
Franklinton Dump
Parkeisway, Franklinton, Franklin County, NC
ID#: NONCD0000310

Dear Mr. Bryant:

The Division of Waste Management, Superfund Section, Pre-Regulatory Landfill Unit has received and reviewed the **June 20, 2014** work plan and cost proposal for the activities associated with Task Order **310DP-3**. Based on that review, the work plan and the cost proposal in the amount of **\$10,324.8** approved. This letter serves as notification of that approval and as authorization to proceed with activities associated with that work plan.

While the total expense on the invoice cannot exceed the amount approved, individual task components within this task approval may vary. Any increase in cost to this scope of work must be approved prior to implementation. A task order addendum must be requested to cover an additional scope of work or unforeseen site circumstances. Notify me immediately and request additional funds to cover eligible and reasonable costs. Cost of additional work conducted without approval will be ineligible for payment.

Please notify me of the date(s) that field activities are scheduled so that the property owners can be notified.

If you have any questions, please contact me at (919) 707-8347. Thanks!

Sincerely,

Z. Chen, PhD, Environmental Engineer
